

Did you pay for a credit freeze after the 2015 cyberattack? If so, please fill out this form and send to us.

Important things to know

- Use this form if you have a child or children affected by the Anthem 2015 cyberattack and you paid for a credit freeze for them. You only need to fill out one form for all of your eligible children.
• Your child must have been younger than 18 years old as of January 27, 2015.
• The freeze must have been set between February 5, 2015 and the date of the letter Anthem sent you announcing the Minor Credit Freeze Program.
• We can only pay you back for the credit freezes you placed with Equifax, Experian or TransUnion. This includes your cost to remove the freeze. If you haven't paid to remove a freeze, we'll pay you now based on removal fees noted in current state credit freeze laws.
• You must send us this form within one year of the date of the letter Anthem sent you announcing the Minor Credit Freeze Program.
• After receiving your reimbursement form, we'll send you a response in about 45 days.
